Just one fire in Washington, east of the Cascades at [Jolly Mountain](https://inciweb.nwcg.gov/incident/5496/) (<https://inciweb.nwcg.gov/incident/5496/>) in Kittitas County, was burning 15,000 acres as of Saturday. The *Seattle Times* reported (<http://www.seattletimes.com/seattle-news/northwest/wildfire-risk-prompts-inslee-to-declare-statewide-emergency/>) that “[r]oads in that area have been closed and about 3,800 homes have received Level 2 and Level 3 evacuation orders. Level 3 is the most urgent notice.” The Eagle Creek fire, burning on both sides of the Columbia River Gorge in Washington and Oregon, has torched 10,000 acres while the Norse Peak Fire in Pierce County has burned 19,000 and
